Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the ADA: Hollis Station project in Fiscal Year 2027. The entity to receive funding for this project is New York State Metropolitan Transportation Authority, located at 2 Broadway, New York, NY 10004.

The funding would be used to replace two deteriorated 4-car length platforms at Hollis station, construct new 8-car length platforms, install a new ramp and elevator, and support other renovations. The project is an appropriate use of taxpayer funds because it will improve boarding and alighting, as well as will improve the accessibility of the Long Island Rail Road (LIRR) system at Hollis Station.

This project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
Member of Congress
