Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Damian Family Care Center Dental Technology project in Fiscal Year 2027. The entity to receive funding for this project is Damian Family Care Centers, Inc, located at 89-56 162nd St, Jamaica, NY 11432.

The funding would be used to support the acquisition of panoramic/cephalometric X-ray technology. The project is an appropriate use of taxpayer funds because it will enable fast, comprehensive dental diagnosis in a single visit, and improve access to efficient, high-quality care for underserved populations with limited access to services.

This project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks  
Member of Congress
