Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Improving Safety and Security at Hammel Houses project in Fiscal Year 2027. The entity to receive funding for this project is New York City Housing Authority, located at 52 Chambers Street, New York, NY 10007.

The funding would support the installation of CCTV cameras, layered access entrance system, storefront entrance, intercom system, and interior and/or exterior lighting around building entrances at Hammel Houses in Queens. The project is an appropriate use of taxpayer funds because it will improve residential safety, reduce crime risk, and support broader community development goals.

This project has a federal nexus because the funding provided is for purposes authorized in 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
Member of Congress
