Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the New Dawn Charter High School II Fire Alarm System Installation project in Fiscal Year 2027. The entity to receive funding for this project is New Dawn Charter High School II, located 89-25 161st. Jamaica, NY 11432.

The funding would be used to support the installation of a compliant fire alarm system necessary for the launch of a new New York State Education Department certified Career and Technical Education Culinary Arts Program. The project is an appropriate use of taxpayer funds because it will support purchasing, installation, and integration of a fire alarm system required to meet local fire safety and building compliance standards for commercial kitchen operations within the school facility.

This project has a federal nexus because the funding provided is for purposes authorized in 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
Member of Congress
