Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Edgemere Phase 1 Project to Install Missing Sidewalks in fiscal year 2025. The entity to receive funding for this project is the New York City Department of Transportation located on Rockaway Beach Blvd (Beach 62nd St to Beach 56th Pl), 11692.

The funding would be used for the installation of missing sidewalks, repairing the roadway, including mitigations against future flooding. This is an appropriate use of taxpayer funding because it is improving vital infrastructure for pedestrians and motorists and protecting against flooding.

This project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
