Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Carleton Manor Roof Tank Replacement Project in fiscal year 2025. The entity to receive funding for this project New York City Housing Authority (NYCHA) located at 90 Church Street, New York, NY 10007.

The funding will go to the replacement of one or more rooftop water tanks, including related piping, pump controls, and any associated painting or improvements to rooftop structures. The old and deteriorated wood roof tank has grown mold, vegetation and been prone to animal intrusion, putting water at risk of contamination. The project is an appropriate use of taxpayer funds because it will replace the water tank and effectively prevent water contamination for the 320 tenants residing at Carleton Manor.

This project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
