The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Power Plant Chiller Replacement Project in FY2026.
The entity to receive funding for this project is New York State Division and Housing Community
Renewal located at 25 Beaver St, New York, NY 10004.

The funding would be used to replace three of the Absorption Chiller power plant equipment items
essential to servicing the Rochdale Village community. These chillers enable the use of heat from our
boilers to be converted into chilled air used throughout the community. The chillers are 61 years old and
past their useful life. This funding would benefit a community population of approximately 25,000 – 40%
of them seniors.

This project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C.
5305 (a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks
Member of Congress
