Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the NYCHA Conlon Lihfe Tower Safety and Security Project in fiscal year 2025. The entity to receive funding for this project is New York City Housing Authority (NYCHA), located at 90 Church Street, New York, NY 10007.

The funding would be used for the installation of one or more of the following scope items: CCTV cameras, layered access entrance system, storefront entrance, intercom system, interior and/or exterior lighting around building entrances.

The project is an appropriate use of taxpayer funds because it is directly enhancing the safety and security of the residents who reside in this facility.

This project has a federal nexus because the funding provided is for purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Gregory W. Meeks

Member of Congress
