March 31, 2023

Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Broad Channel Emergency Operation Center New Location in fiscal year 2024. The entity to receive funding for this project is Broad Channel Emergency Operation Center located at 15 Noel Road, Broad Channel, New York, 11693. The funding would be used to afford a safe place to operate in storm situations and is designed above the storm surge flood height in our area. It will also allow a safe command center for city, state, and federal emergency operations as they prepare in advance of storms and manage recovery efforts after the storm emergency passes. I certify that neither I nor my immediate family has any financial interest in this project.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

Sincerely,
