Dear Chair Granger and Ranking Member DeLauro,

I am requesting funding for the Wind Tunnel Lab and Aviation Research Database at C.U.N.Y York College as a community project funding request. The entity to receive funding for this project is C.U.N.Y York College located at 94-20 Guy R. Brewer Boulevard, AC-2H07, Jamaica, Queens, New York 11451. The funding would be used to purchase a state-of-the-art educational wind tunnel lab and implement an aviation research database. I certify that neither I nor my immediate family has any financial interest in this project.

The project's federal nexus is provided under the Department of Commerce NIST—Scientific and Technical Research for activities consistent with, and supportive of, NIST's mission and aligned with one or more of the functions and activities described in section 272 of title 15, United States Code.

Sincerely,

Gregory W. Meeks
