Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Emergency Department Modernization Project to Address Healthcare Disparities – MRI Renovations project in fiscal year 2022. The entity to receive funding for this project is The Jamaica Hospital Medical Center located at 8900 Van Wyck Expy., Richmond Hill, NY 11418. The funding would be used to cover the construction costs associated with updating and doubling the ED's MRI capabilities, which is the first step in a larger effort to modernize the hospital's emergency facilities. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Gregory W. Meeks

Member of Congress
